

Barry D. Jolin

March 14, 1953 - December 27, 2019

Barry David Jolin, age 66, of Minocqua, passed away on Friday December 27, 2019 at Aspirus Wausau Hospital after suffering a stroke four days earlier. His loving daughters and sons-in-law were at his side.

Barry was born March 14, 1953 in Tomahawk, Wisconsin to Wallace and Lorraine Jolin. He grew up in Boulder Junction, Wisconsin, a town he loved and worked hard in for many years. From an early age, he worked for his dad at Jolin's Standard Station right across the street from his home. He graduated from Lakeland Union High School in 1971. He later went on to buy the local marina which became Jolin's Marine Center for over 30 years. Barry's second career came after the sale of the Marine, and he enjoyed working as Realtor at Coldwell Banker in Minocqua over the last 15 years. He truly enjoyed selling boats and real estate and considered so many of his customers and clients as lifelong friends.

He started a family in the late 1970s and helped raise his two daughters in the Northwoods. He loved traveling with them and spending time on the water together. Barry also enjoyed golf, cards, and sports, especially his beloved Green Bay Packers. He spent many, many years coaching the Pack from either his seat at Lambeau or his recliner! In recent years he became a grandfather and enjoyed every second he could with his two grandchildren—everywhere from at home to school events to Lambeau Field to Disney World. Above all, Grandpa told the BEST stories. His stories, big heart and smile will never be forgotten.

Barry is survived by his daughters Courtney (Nick Durkee) Jolin and Stephanie (Billy Ross) Jolin, brother Rick (Kathy) Jolin, nephew Brad (Karla) Jolin, "third" daughter Megan Colianni, grandchildren North and Fischer Durkee, as well as many dear friends and extended family members.

He was preceded in death by his parents Wallace and Lorraine Jolin, and infant daughter Brooke Jolin.

Visitation will be held at noon on Friday January 31, 2020 at Ascension Lutheran Church in Minocqua. A memorial service will immediately follow at 2 PM.

In lieu of flowers, memorials may be made to Donate Life Wisconsin or AVW Elementary School.

The family extends a special thank you to Dr. Craig Kelman and the nursing staff of the Asprius Medical-Surgical ICU as well as the Palliative Care Unit. We are deeply and forever grateful for your compassion, professionalism, and kindness.

Please consider joining the Organ Donor Registry in Barry's memory.

“ So many great memories of Barry. I remember the first time I sat down across from him at the poker table at the LDF casino. It was a Thursday night game, and for some odd reason I had a horseshoe up my butt that night. He busted me more times than I busted him, but I'll never forget him looking across the table and saying "kid, you got my number tonight. I fold." He was such a great man. His stories of the grandkids and how he remembered reading them bedtime stories in the rooms downstairs on Frontier were priceless. Definitely gone too soon, but never forgotten. Love you Barry!

“ Barry was the most considerate person I knew. He always gave his time and money to help others. He was a great friend and mentor. I will cherish the times we sat together and talked about sports, family, and business. We were so fortunate to have him in our corner the time we did. I'm going to miss him so much.

“ Sorry to here of Barry's passing. He was always very positive and was the consummate salesman. When I first moved “up north” I went to Jolin's Marine and Barry sold me 3 boats.. that's right 3 boats! (I told you he was a good salesman). Later Barry and I worked together on Rick Henderson's team at Coldwell Banker Mulleady and he easily outsold me there (although I probably did more fishing vs. selling).
My condolences to his family. I remember Barry always talking about “his girls” and how proud of them he was.
(Hey Barry...St. Peter could probably use a nice place on a lake and a pontoon boat!)

“ One of the brightest bulbs on the tree of life that I had the good fortune to know. Golf, cards and laughs defined our time together. Barry was not just gifted with a quick calculating intelligence he had a fearless mastery of chance and risk. Although he lived in the present he'll always be remembered in the future by me for the great times we shared together. Gary Gongola

We consider ourselves fortunate to have known him.

“ That is terrible news when I heard Barry Passed. He was such a good guy happy go lucky and easy to work with as I have got to know him over the past 15 years selling real estate, I am sure he was good at selling boats back in the day. He sure will be missed.

ERIK R JOHNSON - January 02, 2020 at 09:15 PM

“ Darcy, Stephe and Courtney - I'm so sorry for your loss. I've known Barry ever since he played Little League with my 2 younger brothers during the summer in Boulder. The Kern family always enjoyed doing business with him at the Marine Center. And of course I knew Barry as a wonderful dad to Stephe and Courtney. We've lost a good soul. Please know I'm thinking of you!
