“ i really missed my mom no matter if i never really got to get to know her, and from my memories she was the best mother i could ask for, even if i didn't really know her, and i will always remember her she will always be in my heart, and i will always love her no matter what ,and she was the best she could be,

“ I'm sorry to hear of this. Her mom, dad and I grew up together. May her family find peace.
