“ Very tough to learn of the death of my childhood friend. My memories of Walt center on endless summers filled with fishing, football games, swimming, and Spider Lake Road bike rides. So sorry for the Furyks.

“ Today I found out an old friend passed away. It's been so many years since we were in touch. I knew Walt when we were young and life was easy and uncomplicated. I look back with the fondest memories of the time we shared. He will always hold a special place in my heart.

“ My condolences to the Furyk family. Walt and I went back aways - I will always remember playing APBA football upstairs at the Furyk home and the good times we had with that and various other activities we partaked in. Take care.

“ Walt and I went on a snowmobile ride with our Dad to cut down a Christmas tree. I stood on the back of a husky sled and Walt laid in the sled under the tree. Dad was going up a hill when the sled disconnected from the snowmobile. We slid back down the hill and our Dad continued driving on. Walt pushed the tree off the sled and we both started running up the hill. Dad came back just a couple of minutes later. This is a special memory with my brother and Dad that I always cherish during the Christmas season.

I love and miss you Walt but I know you are at peace with Dad, Mom and Deb. Thank you for being such a wonderful brother. I promise I will hold my chin high.

Love always,
Barb
