“ My deepest sympathies to the family of Alice. I met Alice years ago as her hairstylist. Alice had the most “beautiful wedge style” and she was always so lovely to visit with on her appointments. Even years after I did her hair she was always so nice to see and chat to catch up with life.

Thinking of your family,

We were sorry to hear of Alice's death. We attend the Kingdom Hall in Auburn, IL & she would visit when in IL. My sister & I were able to see & have lunch with her & Doris last year in Springfield. She was always so gracious & a beautiful person inside & out. We look forward to seeing her again.
