“ I'm so sorry to hear of her passing. She's a beautiful beautiful soul. I had the pleasure of working with her many years ago and she helped me out a lot. Later I served her on special occasions at the casino. She was always so happy and uplifting. We had a special greeting for each other, one of us would say, "Hello Anita" and the other would reply, "Hello Anita." Rest in Heaven Anita, you've earned every blessing. Thank you for being you.
