“ Dealing with a loss of a family member is never easy! I know Aunt Arlene will be missed. My hope is that her sons and family will take comfort in the joyful memories in their Menominee Falls home and the fun activities at their countryside home in Minocqua.

As a kid, I recall fond memories of the wonderful parties the cousins shared in their home. We enjoyed seeing each other and the wonderful spread Aunt Arlene put out for everyone.

My deepest condolences to immediate family members and I know Aunt Arlene is at peace as she rejoins Uncle George.

Found a photo of Aunt Arlene in my mom's album taken at uncle Dick's and Aunt Sophie's 50 Wedding Anniversary.

KA

“ An angel came on Thursday morning and took her by the hand, to lead her to her forever home where all greeted her with open loving hands.

As for us she wished love and togetherness to share our special memories of her smile, her wit and love that provided us all with happiness.

Memories that we thank her for holding near and dear in our hearts and can recall to bring us smiles until we see her smile again.

To my family,
With love, Kathy

“ *Sorry for your loss. My mom and dad always enjoyed having auntie Arlene visit and stay with them when she came down from Minocqua.*
