“ How very sorry I am to learn about Nurse Hellwig as we affectionately called her! What a dedicated, kind, compassionate lady Barb was! Nurse Hellwig was my mother’s home health nurse for several years. Every one looked forward to Barb’s weekly visit. ..her bright smile, her contagious laughter and most of all her kindness to my mother and all of us. Barb was irreplaceable, unique in her own way. Nurse Hellwig was the epitome of a true nurse. Not only did Barb make an elderly lady more comfortable but also she made our lives easier. May you forever be with the angels because you are one of them dear, Barb. Love, Patty Allen Mabie
