“ *My heartfelt condolences are sent to Barb's children, Stephen and Shari. I am so very sorry for your loss.*

Some of my best working years were working with your parents in Aurora. While I was originally an employee, it wasn't long before Barb and John became dear friends. I valued the lessons learned while working with them.

And I totally enjoyed some of the sillier, zanier times.

I miss them both and will remember them with great fondness.

“ *My Mother Kept A Garden*

*My Mother kept a garden.
A garden of the heart;
She planted all the good things,
That gave my life it's start.*

*She turned me to the sunshine,
And encouraged me to dream:
Fostering and nurturing
The seeds of self-esteem.*

*And when the winds and rains came,
She protected me enough;
But not too much, she knew I'd need
To stand up strong and tough.*

*Her constant good example,
Always taught me right from wrong;
Markers for my pathway
To last my whole life long.*

*I am my Mother's garden,
I am her legacy.
And I hope today she feels the love,
Reflected back from me.*

“ I have never met a more stronger "lady" soul light than Barb. She has been with me since the day my husband and I moved to the Northwoods thirteen years ago. She has helped me continue on with my dream at the flower shop even in the darkest days of struggles. She said many times, things are worth fighting for so fight. Go for it and live your life the very best that you can. She was a very dear friend to me, my husband, and my puppies, yes Barb even Sandy and Sawyer. Wow thats five golden's. :)
She will be truly missed, and every one in her family and life is held with our thought's, prayer's and love. One more blue diamond in the sky.

“ I met Barb after I moved to her neighborhood seven years ago. Barb would often stop for a visit if I was working in the yard, and Barb would always stop for a visit if I was walking my dogs. I knew Barb was one of the few neighbors on our street in the winter, so she had our phone number if she was concerned about happenings, and I had hers. I will miss seeing her little red Jeep approaching as I will miss Barb and her welcome, neighborly visits.
