

Benjamin J. Frymark

August 15, 1942 - January 6, 2023

Benjamin Frymark of Eagle River passed away peacefully on January 6th, 2023. Born August 15 th , 1942, he was the son of Raymond and Josephine Frymark, and to the many who knew him he was “Grandpa Ben”, a jokester until the very end. He spent many afternoons telling dirty jokes... of pigs rolling in the mud. Wait..what did you think? Ha.

He was preceded in death by his brothers Dave and Steve, and his sister Joan. He leaves behind his sisters Victoria and Janet, and his brother Mike. Also, his Stepdaughters Melanie Lloyd and Shelby Drabek, and several grandchildren who miss him dearly.

He lived a great love story with Pauline Frymark, who preceded his death many years ago. He was truly honored to be her husband and is surely reunited. Grandpa Ben spent many of his afternoons with his eldest granddaughter Cassandra Reid. Their afternoon dates at Lumpy’s and Buckshots were the highlight of his retirement. He enjoyed the simple things in life like a glass of Korbelt and sour, \$20 of pull tabs, and of course yelling goofy things at telemarketers and slamming his flip phone shut. A good chicken wing could make his whole day. He has also been witnessed finishing an entire Lump-A-Saurus burger...the man became a legend.

There will be a Celebration of Life held Tuesday, January 17th at 5pm at Off The Chain. There will be a cash bar and appetizers will be served.

In lieu of flowers the family requests that you take a moment to hug your family, tell a

silly joke, and laugh with the people you love. Enjoy a simple pleasure, a lottery ticket, a twinkie, whatever makes you smile. There isn't a whole lot that a great sense of humor cannot improve, as Grandpa Ben has shown us all.

“ *The coolest, nicest guy ever. I will never forget him wearing shorts year round, riding his bike all over town, and his charming and funny personality. He is missed.*

“ *I met Grandpa Ben (who is the same age as my husband, John) while working part-time for Adventure Rentals in 2013-2016. I always marveled that he always wore shorts, despite the cold temperatures. He was a wonderful man and I'm happy to have known him. Rest in Peace, Ben!*
