She played the piano, saxophone, and was a majorette of the band. She married Roger D. Hunter of Arbor Vitae, and they raised their 5 children in Arbor Vitae. Betty will be remembered by those closest to her for her amazing cooking and baking that she loved to share with others, her helpful hand anytime anyone needed anything and good nature. She was very artistic whether it was a quick free hand sketch (she called doodling) or later when she found a

passion for coloring grayscale photos and making her own cards for all occasions. She was very humble and spent her life loving and caring for her family and others. Whether you knew Betty from Minocqua Grade school or High School, through her children or working many years at the Arbor Vitae Volunteer Fireman's picnic, you know she was always kind, caring and could light up any room with her smile. She truly blessed all whose lives she touched and will be greatly missed by all.

As per Betty's wishes, she will be cremated with a private family burial. In lieu of flowers, please send donations to Howard Young Foundation or the Arbor Vitae Fire Department.

“ Betty and I lived two doors apart in Minocqua when I was in grade school.

My first memory of a cook out was of her dad, Erv putting potatoes directly into the charcoal. They were delicious! The Steensons were wonderful neighbors.

Heaven will be a happier place because Betty is there.
