“ I hope that all of you are doing as good as can be expected at this difficult time. I know that the last several years have been a struggle for Betty. If it wasn't one thing, it was another. But, Betty being Betty was stubborn right to the end!

I think back to all of the good times that we shared over the years. We use to play a lot of sheepshead throughout the years with Dan and Betty and Sandy, usually around Memorial Day, and it was always a good time! Betty would often make a mistake and call Kathy Johnson by the name of Jane. That was always good for a laugh! I have been known to tease Betty a few times over the years and she always had a good sense of humor and I could usually get a good laugh out of her.

Now her and Dan can get together again with no ailments and great vision and start up some sheepshead games once again.

“ I am sad to hear about Betty's passing and upset that I was out of town. As you may remember, Betty baby sat my three kids (Dan, Adam, Heidi) during the late 80"s. They loved it-especially Heidi who planned on marrying Stevie! Memories include their walks to the then Bellars, lunch at the 70 West Cafe, and viewing the Price is Right. They even told me that Betty made the BEST hotdogs!! As working moms know, it is such a relief to find great childcare and I certainly did with your mother. Special thoughts and prayers are with the entire family. Take Care. God Bless. Roberta and Tom Johnson

“ *My sympathies on the passing of your mother, Sandy. I'm wondering if our moms worked together at Lakeland Memoria? My mom was a nurse there from about 1954 - 1961, and again from 1977 until her retirement in the mid-80's. My thoughts and prayers are with you.*
