MR

“ Dear Mr Soulier and Family,
I'm sorry that I'm not able to make the funeral but know tht my heart is with you.

My heart aches for the loss of your wife, mother and Grandmother. Betty was a very loving and kind woman that I loved too. I will miss her beautiful smile and our conversations over the phone, and seeing her at Indianfest.

Here is a little saying that I love and want to share with you.

"Death leaves a memory no one can Heal"

"Love leaves a memory no one can Steal"

My thoughts and prayers are with you today and everyday. Take care and God bless you all.

Love, Meggie Rebro

“ So sorry to hear of your mother's passing. I too lost my mom in December of 2001.

My deepest sympathy to your family--I was in Brian's class and also knew Wayne and Eugene Jr.
