“ We Teschans are all sorry to hear that your mom has passed. It's hard to believe that she can be gone. She was such a strong presence here in the world and my whole family remembers her with clarity and fondness. Rudy and I met your mom and dad in 1954 (or was it 1953?) on New Years Eve at the old Belle Isle. We were all new to Minocqua and we began a lifetime friendship when your mom invited us over to their house to play bridge. From then on, we shared our joys and trials and tribulations throughout our lifetime which included lots of pregnancies, health problems, birthday parties, trips to Las Vegas, moves, graduations, and the ending of our lives. It would make a lovely story book and I wouldn't have missed a minute of it! And I believe that somewhere in heaven, there's a party going on, and she's in the center of it, laughing and joking and having a great time. .
