

Bonnie L. Pflum

June 26, 1944 - September 2, 2023

On September 2, 2023, loving mom, Bonnie L. Pflum, at the age of 79, said farewell to her five children. She was born to Don and Goldie (Wagner) Braun in 1944. Bonnie married Fran Pflum while still in her teens and they brought to life three girls, Cindy (Rich) Kyska, of Minocqua, WI, Lesa (Ken Venzke) Mackin, of Tomahawk, WI, and Marina (Jim) Olson, also of Tomahawk. Bonnie and Fran enjoyed racing thoroughbred horses. They later divorced in the mid 1970's. Bonnie then met George Nielsen and they raised two boys, Nathan (Carol) Nielsen, of Utah, and Neil (Jess) Nielsen, of Wausau. Most folks should remember Bonnie as their smiling, quick-witted waitress from Hans Fine Food which later became Ed Besse's. After George's death in 2001, she became a mail carrier before retiring. Meanwhile, her children blessed her with 13 grandchildren and 13 great-grandchildren with an additional two on the way. In her later years, Bonnie became friends and roommates with Scott Kurth. The family cannot thank hospice, Ties That Bind Us, and Seasons of Life

enough for their care
and compassion. Also, a big thank you to those special people that took time
out of their lives
to stop and visit during her short three months battling cancer.
In accordance with Bonnie's wishes, no formal services will be held. Her
children will say
farewell to her in their own way. So goodbye for now MAW, we love you.

Bonnie will forever be my pool partner, friend and second Ma. I will miss our long talks over a few cups of coffee, catching up on all the gossip and solving the worlds problems. LoL. Until we meet again my friend, may you rest in peace. 🕊️
