“ To Ann and the Mayer family. I was so sad to hear the news about Bran. Shared so many stories and laughs with Bran. Bran and Ann always made you feel like you were a part of their family. I had many fun times in the North Woods. I always looked forward to opening day fishing to see Bran and Ann. Bran, Ann and the Mayer family are wonderful people. I am blessed to have met them.

“ To the Mayer family. I only know you through your son Brannon. My name is Corky Smith and I am a retired Senior Air Safety Investigator with the NTSB. Brannon shared with me about his Dad while on several accident sites. I could tell there was a strong bond and work ethic shared between father and son. I always knew that Brannon came from good stock and we shared a great friendship. My wife and I can not imagine what you are going through and how difficult this must be for you. Please know that our prayers are with you and the Lord will guide you through this. If we can assist you in any way please call on us. Brannon has our phone number. Bran provided us with decades of wonderful memories of the North Woods with kindness, help and a smile at Bran Ann's. Bran and Annette's northern hospitality made us feel like family and would make any southerner jealous. Always in our memories your friends from Kentucky.

With love and sorrow.
