“ So sorry for your loss. I'm going to miss Bruce as well but have many fond memories of the good and fun times. It was always enjoyable to join him at baseball and football games and all the fancy tail gating. Also, I actually caught fish at Bolton Lake when he, Dick and I heated out to hunt crappies. During his work career, he was always very professional and knowledgeable about his business and took extra steps to ensure timely deliveries. I was hoping to see him this September but am sure his spirit will be with us.

*God Bless You, Gail,
Ron and Mary*
