“ I worked with Carla for many years. She was such a delight. I had given her a nick name of Carlakin. Always a smile on her beautiful face and a kind word for everyone. She will be greatly missed by myself and so many more. God bless you Carlakin.

“ I worked with Carla, she always made folks smile. She will always remain in my heart & bring a smile everytime I think of her. She so loved her family, this loss is hard, yet her wonderful spirit will remain.
