“ I had the honor of meeting Carmen when I worked at the gas station by Ace. She would come in every day to get her newspaper. I commented on her bead bracelets that she always wore and she made me two of them in my favorite color purple. You will be missed Carmen, R.I.P.

“ I'm so sorry to hear of her passing. We became friends when she knew my daughter Cat from the local gas station and then Ace, and I knew her from the pharmacy. She always asked about Cat and her son every time I saw her. She was always so friendly and caring and I will forever remember her for that. My condolences to her family...
