“ Carol Bartos was my grandma. I will never forget her cooking, artwork, garden, and love she shared with everyone. Her house up in Eagle River feels empty without her, but I'm happy that she's in a better place with the angels and her family. She was such a talented, wise, bright soul that will be forever missed. Love you, Grandma!

“ We (Carol, Dorothy and myself) met and became friends in 2nd or 3rd grade. We remained fast friends through high school and up until Aug. 23rd of this year. We not only attended the same schools but also the same church and were confirmed in the same class. Until our dating years we generally spent our spare time together: going to Washington Park to play, go ice skating in the winter and swimming in the summer, Girl Scouts and a host of other activities. After graduation from high school we went our separate ways. Within a year I left Wisconsin and wound up in Texas. Carol went to nursing school and Dorothy started working. However, we stayed in touch- first by writing letters and cards, phone calls and eventually email. And Carol's photos!!! So many great experiences and memories. We will miss you Carol. All our sympathy to the family.

“ *Carol was a kind loving mother. I had her son, John, as a student at Whittier School. Carol was creative and carved a beautiful pumpkin. She also made beautiful cards.*
