“ *Ohhh Aunt Carol... So many great memories. One of which was when she would make her famous mint bars for me! They TRULY were ...THE best! We also shared THE LOVE of anything... black licorice. "Blackjack" gum, Good and Plenty(s), black jelly beans, and black licorice salt water taffy---to name a few. Hope heaven has some of those "yummies" for you! I'm so glad we got to visit at Mumzy's (Valeria Schneider) Memorial Picnic just weeks before Our Heavenly Father called her home. I'm so very thankful for this sweet, sweet lady that I got to call Aunt...*
