“ I am Wally's cousin from Friendship, WI & I babysat for Caryl & Wally when there kids were small. We stayed at there place in Tomahawk with our granddaughter Holly. Wally is my dad's nephew.

“ Interacting with Caryl and Walter at various Glas family gatherings revealed to us the greatness of soul that they both possess. It's easy to understand the close bonds you have with them. No words can make up for the loss; only take comfort that the circle will be unbroken when the Lord himself invites us to the banquet table.

“ Dear Wally & family,  
So sorry to hear of your loss. Caryl will be sorely missed by many, most of all, your family. I have fond memories of family picnics and our family visits to your farm as a child. Our prayers to all of you.

“ I have the pleasure of knowing Caryl's daughter-in-law Jan, and granddaughter, Anna through work. Both are wonderfully loving and generous women, no doubt in part due to their time spent with Caryl. Anna clearly admired her, telling me, "My grandma was an amazing woman and continued to care for her family right up until the last moments, worrying more about them than herself." My prayers are with Anna and Jan and all of the Glas family - may you find comfort in each other during this hard adjustment.
