“ *Char was my best friend. We shared our high school years together, our children were friends and for years lived only 3 houses away from each other. We had great fun with our boats, snowmobiles, and New Years Eve Parties. We have stayed in contact all these years, I just talked to her 3 weeks ago. She and her sister Elaine came to Florida a few years back. I got to visit with Char then. She was a good friend, very kind and giving. My thoughts go out to her family I know she will be greatly missed.*

Love to All;

“ Char was always making sweet treats, often it was cookies. One day when Luke was small we arrived right after a fresh batch of peanut butter cookies had just been pulled from the oven. She was disappointed because she said they didn't come out right. She offered us one anyway. As we sat there enjoying the cookie , she exclaimed " No wonder they didn't come out right, I forgot to add the peanut butter!! That was the best peanut butterless cookie we ever had!! Many fond memories. Feeling very blessed to have been a part of her life. Love always, Tina and the kids
