“ Cheryl and I were high school friends. We used to go to out of town basketball games on together, sitting in the back of the bus and having lots of laughs. She and I also played in the "B" Band in Freshman year and had alot of laughs at the expense of the music teacher. Cheryl had a great sense of humor. My condolences to her family.

“ Mousie and I had alot of fun through out the years. She was as much a sister to me as my own sister. I loved her dearly and will miss her laughter

“ I didn't know Cheryl well. I dated her sister, Leanna, in high school and little Cheryl always stood in the back of the room and giggled when I came over to the house. Then we all moved on. Cheryl became my distant relative later in life when she married Steve, my wife's nephew. Sad to read of her passing and my best wishes to her family.
