“ *Betty and Family,
Tom and I and the boys (Alex, Spencer and Sam) want to extend our deepest sympathy to you and your family. We really enjoyed seeing Cary up north. He loved goofing around with the boys. When we needed a tool or a trailer we knew where to go. He was always outside doing something, cutting wood, fixing something, having a rummage sale or playing with grand-kids, not to forget hunting or fishing also. He was a very kind and friendly man. We are truly going to miss him. We are unable to attend the funeral but we will definitely stop in next time we are up north. It won't be the same with Cary gone. Our thoughts and prayers are with you and your family.*

*Sincerely,
Tina and Tom Kocken

“ *Betty we are all so sorry for your loss. Cary was a great guy...We all have so many memories of him...but the one that stands out the most, was the way Cary would "play" he was always up to something, he truly enjoyed life to it's fullest! He will be missed deeply. The northwoods will not be the same.*

“ I am blessed to have been able to see, talk and laugh with him one last time. He will be missed greatly. He was doing what he loved most and everytime my husband and boys will be in the woods I hope that he watches over them and keeps them safe. My prayers and love are with you during this time and in the future, my uncle cary will always be in my thoughts.

“ Betty, we are so sorry to hear of Kerry's passing. We are going to miss him a lot. It was always a joy to talk with him. He truly made you feel like a friend. He prepared a delicious fish fry and his potato salad was one of the best. He also canned a good pickle. Up north will never be the same. Betty if you ever need anything, please do not hesitate to contact us.
