“ I'm so saddened by the loss of Clayton. I enjoyed having him in class for 3rd grade and I continued to see him throughout the past year as he would often stop in for visits. I will definitely miss his smile and hugs and catching up with him. I miss you so much, Clayton!

Tacoma, I'm sending hugs and lots of thoughts your way! I miss seeing you at school!

Love,
Mrs. Roff

“ Clayton would always come up to me and say, "Hello, Mrs. Stangel" and give me a big hug and a smile. I will always hold dear those smiles. This year he would come down to get Tacoma and "check in" on him. He was such a wonderful big brother around here. Tacoma - all of Team Stangel is thinking about you and we made you a book that might help you smile in the days ahead. Please know that we are so sorry about your brother and we miss you here. Please let me know if I can help in any way. Smiles and hugs, sweetie!!

“ Clayton was such a helpful, kind-hearted and loving young boy. He could light up the school hallways with his dark brown eyes and his wonderful smile. The memories I have of Clayton will stay with me and will be treasured forever. If there is anything that I can do for Tacoma when he returns to school, please let me know.

“ *We can't control what the Creator has planned for us but that doesn't help us understand completely when something like this happens. Sending our deepest sympathies and prayers for the families to find peace and strength to get through this. We will never forget sweet Clayton.
