“ I am so saddened by the passing of Connie. My heart goes out to all her family members. Connie was such a kind hearted loving person. She was a wonderful loving sister to my late husband, her brother, Ron and he thought the world of her. They are together again. Connie brought so much joy to many lives. I have some great memories of times spent with her. She will be greatly missed by all. May the good Lord give you all the strength and faith you need during this time.

“ *My thoughts and prayers are with you and your entire family Kelly!*

I have a wonderful memory of the lunch we had with your mother and Irene at Pole Cat and Lace a few years ago which will always stay with me.

Your Mom was delightful and I thought to myself WOW - wish she and my mother had known each other!

Your wonderful memories of your mother as well as what she has taught you and those traits and habits you have picked up from her will carry you through the rest of your life and give you strength.

Red Pine's blanket of love is wrapped around you Kelly today and in the weeks to come.

RPC Love, Connie

“ *Robin. Lee & Brandon
Kelly, Ed, Quin & Liam,
I am so sorry for your loss of a wonderful
Mother and Grandmother.
You were so blessed to have someone as strong and committed as
your Mom. She was
made of the good old fashioned love that
only a mother possess. Her world was her family and friends and I
was one of the many
who valued that friendship. To know her was to love her. To be her
friend was a privilege.
We shared many good times as classmates and renewed our
friendship as we started raising
families. She will never be forgotten as she
was looked upon as the one you could trust
I will miss her friendship, her charm and her wit.
Our prayers and thoughts will be with you and we are as close as a
phone or hug away.
With Our Love and Deepest Sympathy,
Karen and Terry
