September 9, 1949 - September 21, 2023

Corinne Johnson (Barncard)

Born September 9, 1949

Our amazing and much loved wife, mother, grandmother and aunt was escorted to her heavenly home on September 21, 2023 after succumbing to a traumatic brain injury suffered in April 2022.

She is survived by her loving husband, Daniel Johnson; daughter, Andrea (Cliff) Johnson; sons, Paul (Jennifer) Johnson and Jeff (Jenny) Johnson; and her beloved dog, Keykey. She is further survived by several grandchildren; great grandchildren; her loving brother, Neil (Judy) Barncard, as well as their daughters. Corinne was preceded in death by her father, Earl Barncard Jr. and mother, Dorothy Barncard (Warzynski).

There are so many special moments with family and friends. She had a beautiful soul, fun and spicy wit and a kind, caring, loving, and down-to-earth personality. Corinne touched the lives of many with her spirit and joy, she will be greatly missed.

Our family would like to thank everyone from the doctors, surgeons, nurses, caregivers and emergency responders that helped and cared for her during this time.

“ We met Dan and Corrine when we first moved to Spider Lake and they reached out to help us become adjusted to life on the lake. That kindness says a great deal about the Barncard and Johnson families and it is saddening for us earthlings to see someone with so much to give get called home to the Lord so soon. May we all be presented to St. Peter with such credentials.

“ Dear Dan, Jeff, Paul, Andrea
Spending the last 5 months with Corinne has been a pleasure and honor.
Both Corinne and her family were always helpful, kind, and supportive.
My favorite time with Corinne was strolling down the road, watching all the wildlife busy with their day. From deer to turkeys and all species of beautiful birds.
Corinne had a gentle spirit. She was quietly determined to help with daily activities.
With caring thoughts,
Darlene

“ *I have many childhood and teen memories of Corinne having lived across the street from them in our hometown of Mercer - playing house in the little playhouse in their yard, trading comic books, and jumping on the beds (for which we received a strong reprimand). Later on she taught me how to drive a car with a manual transmission. What fun we had - some shenanigans too! Later in life when we moved to Wausau, Corinne and Dan invited us to attend Wausau Bible Church where we have attended for the past 47 years. I am forever grateful for the time they took me to an evangelistic program, where I trusted Jesus as my Lord and Savior. And now she is resting safely in His arms, face to face with her Savior, and I will see her again one day.*

“ *What a perfect picture of Corinne! That smile takes me back to so many conversations we had for many many years. Early on we realized we were more alike than different in a good way. We ‘got’ each other. She was a real friend. I miss her spunky attitude and I miss her wise words and gentle heart. I miss her but I know she is having the time of her life right now. She is exactly where she is suppose to be. I will see her again.*
