“ He was my fishing buddy for years and We may have shared a Miller lite or two as well.  
All kidding aside he was Family, not just a friend! We spent many holidays, weekends and many fishing trips together before and after he moved to Woodruff. God indeed got one of the good ones but at the same time it left many people with holes in their hearts back here!

“ Bob and I are heart broken of Craig's passing. He was a great person and friend. His dream was to live up north, which he did. God got a special person, when he choose Craig. 🙏

CW

Craig was a classmate of mine in Boyd Grade School and at the High School before he moved. We, the Class of 1980 were excited to see him at our 45th reunion in October. That is when we found out about his passing. We would like to extend our sympathies to the family and maybe someone could reach out to me so I can write a memorial for our class. thank you, Chris Willkom La Crosse, WI
