“ *Mary & Family: We are so sorry, saddened & shocked to hear about Curt. We have lots of special memories spending time with the 2 of you at the lake in Wild Rose & Winchester. Curt taught my husband Darren how to fish "correctly". The times we went out to eat, when Curt caught his sweater on fire lighting a cigar when the 4 of us were golfing @ the country club...then he stopped, dropped & rolled (all ended well). There was always excitement when we were around Curt . We'll miss his mischievous laugh, smile & humor. A life ended too soon. I'm not sure who he'll get to wait on him in Heaven, Mary. RIP dear Curt. your friends, Darren & Patty*

Mary: We were so sorry to hear of Curt's passing. We hope that all will be well for you. Please continue to email us with your status and situations.

We sent a small check to the Bolger Funeral home with a request that they forward it to you as we did not know your home address. It is made out to the Winchester Library which we believe was one of your suggested options.

Please take of yourself and we would love to visit with you in the future.
