“ Terribly sorry to hear of Cindy's passing...she was a wonderful work friend. May God keep you comforted knowing that she was a fabulous lady who touched many lives. She gave me all her Rumchata receipes....

“ I was so sorry and shocked to hear of Cindy's passing. I worked with Cindy for many years and really grew to treasure her friendship. We had talked here and there after my recent retirement and she always said how how much she loved retirement and how much I would too. She never mentioned her illness . That was just like her, always thinking of others. I will truly miss her.
