“ I have known Cynthia Schroeder schaffner all my life, she is a 1st cousin. Our paths crossed frequently in early life with the Schroeder clan gatherings & trips to crab lake where her father, Fred Schroeder, had a summer home. She loved Crab Lake with the Schroeder history so entrenched going back to the early 1930's where her grandfather built his summer lodge. Over the years our contact was sporadic as marriage took me to different locations to live. Over the years Cindy's health problems increased & she & her husband relocated from Mequon to uncle Fred's home on crab lake. Cindy was an avid reader & enjoyed the peaceful lifestyle of the north woods. She loved animals & was particularly fond of her dog lulu & her cats. She was especially close to her stepsister Karen O'brien & was also close to her brother Freddie Jr of Helena Montana who passed a few years prior as well as her father, Fred Schroeder who lived to be 100. I will miss Cindy & her always positive attitude. She is with those she loved now and I pray she is resting peacefully.

I was very sad to hear of Aunt Cindys passing. We only met a few times during the years as distance was an obstacle.

I remember her fondly the feeling times we spent time together.

“ *My heart and prayers have been with Cindy since I was a very young. She has always been a person I looked up to. I was so glad to have spent time with Cindy and Philip at my mom’s funeral in 2012 in the Adirondacks as she and Philip drove from Wisconsin to honor her.*
It’s hard for me to fathom her loss. Love and sacred light sent to all.

“ *I was devastated to learn of my Aunt Cindy's death. She was only a few years older than I and I have so many memories of her! She was intelligent, so very thoughtful, and loved her nieces and nephew. She loved the Lord Jesus and I'm praying that she's with him now. Rest in peace, Aunt Cindy.*
