“ Dagmar was a wonderful Christian woman and friend. I have known her for many years and worked with her in many organizations within Rock of Ages, including the Ladies Guild, taking care of communion, and playing in the hand bell choir. Our sympathy and prayers to Dagmar's family.

“ *Dagmar was such a warm giving lovely lady. About 10 years ago I started making hats and mittens for the school children. There is a large poverty rate and without these the kids would have to go into the library and study instead of going outside with their friends at recess and lunch. One day when Dagmar and I were talking she asked if I would like help in making these. She said she loved to knit and would be very glad to make mittens to help me out. I was thrilled to have some help. My large project just became so much easier when God sent Dagmar to me that day. She was such a blessing. She knitted so many beautiful mittens for the children I could never thank her enough. I will truly miss her giving and her joyful spirit and especially as a friend. Love You Dagmar*
