“ There are so many wonderful memories growing up with my cousin, Dan.

We spent many Thanksgivings together as little kids in Green Bay at our grandparents' home

Then we starting gathering in Janesville for several years. We all made it back to the family farmhouse where Grandma May was born to celebrate her 90th birthday. Dan and I enjoyed our phone chats. We had a long chat a week before he passed away sharing stories about our grandkids and how fortunate we are to have been raised by wonderful parents and grandparents

He loved Kathy, his kids and grandkids so very much and he never complained about his health challenges, always so optimistic and grateful for each day he could be with his family.

I will miss my dear cousin Dan

By the way Dan's middle initial B is for Bion who was our grandpa Delamater's name
