“ To have lived with my brother-in-law, Danny, was such a great honor, in so many ways! He was the most thoughtful and kind hearted person, I knew. He always made us laugh. And his quick wit, was always a treat. He was quite the jokster, as well. Before I moved up here to Woodruff, Danny, Tammy, and mom came to visit us, around Christmas, once. I knew he did a lot of baking, around that time, and I had told him, I wanted to try his famous fudge. Well...being the goofy guy, that he was, he brought me some fudge, alright. One piece, on a plate, covered with saran wrap. I thought he was serious, and that was all, he brought. The joke was on me of course....and did we ever laugh! I will always remember that day, and Danny's funny prank, he pulled on me! I could keep going, with all the good times we shared, never a dull moment, when it came to Danny. You will be sadly missed, for as long as I live! Rest in peace, Danny. You will forever, be in my heart. I love you!

“ I've known Danny since I was a young child and worked for him and Dale. He also made the wedding cake for us in 1993. He was always so kind and generous, even making such a great effort, as it must've been for him, to come to my father's graveside service just 2 1/2 years ago on a very chilly October day. That was so appreciated. I had not been aware of his service until today or I would have come too. Peace to Tammy and his family as he can now be free of pain and rest. Sorry for your loss. To Danny's family and friends, We are so sorry about your loss. Beverly and Jerry lived next door to my grandmother, Annie Ahles, in the Town of Kronenwetter, near Mosinee, WI. Grandma Annie was a half-sister of Uncle Carl Steg. I remember that I liked visiting them as a child. I believe Beverly and possibly Jerry were godparents of my sister, Sandy Ahles. Beverly's sister, Lei Lonie Woodward Thresher, and I were classmates in early elementary school years and again in high school. She mentioned Danny and Debby periodically. It always was a nice connection to Beverly and Jerry.

I, Lou Ann, now live near Escanaba, MI, but my brother sent me Danny's obituary. It sounds like he was dearly loved and committed Christian. I wish I would have gotten to know him as an adult. I pray that all who loved him find peace and joy in our wonderful Lord and Savior, Jesus Christ.

Love to you all from the children of Ronald (Butch) and Marie Ahles Ron, Sandy, Chuck Ahles and Lou Ann Ahles Cook

A very kind and wonderful person. He is out of our sight but he will not be forgotten as long as we keep him in our hearts. He always had a warm welcome and a smile when one would enter the church. May you be at peace own.

“ Danny was a great guy. I remember all the laughs we shared at D&D Oasis. Loved his fish fries. Never a dull moment with Dan around. He was always picking on me and making the blonde jokes. My daughter worked at D&D. She used to be very shy, but after working with Danny, she came out of her shell. Danny also gave a wonderful speech at my daughters wedding dressed as Shrek, yes my daughter was married on Halloween. My heart goes out to all the Steg family. A wonderful man is now with the Jesus, pain free and visiting with all the loved ones he has lost. Love you Dan. DJ Kranz

“ I have lots of good memories of Danny, I will share a couple.

1. Is when we were kids, his parents and my parents would go to a Legion Party in Lake Tomahawk, If I stayed home, we would be on the phone for hours, from the time parents left till they got home, or If stayed over with the family, we watched movies and made ridiculous sandwiches, the favorite was what we found (example, eggs, cheese, peanut butter, baked beans and potato chips with mayo, mustard, Ketchup, whatever we found.) However, it was fun. It was always fun, us girls and Danny would play games, feed the horse, and stump the sod.

2. Danny and Tammy, David and I would get together, and just laugh. One that stands in my mind at the moment. David and I went to visit Danny and Tammy; we had dinner, then we sat in the living room, were a telemarketer called. They have called many times, and neither one wanted to answer so David volunteered to answer the call. David with his old man, Scottish guy which he did understand thing. David was doing his imitation; to the point that he had all of us falling on the floor or knocking things over. That was one crazy night. It was a great night.

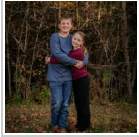

3. Danny with his green LTD, along with Angela , David, and I. We went to a bible retreat in Rhinelander; on the way home, David was up front with Danny, and I was with Angela watching the craziness going on in the front. Danny decided to give a Ltd a run for it life got it up to 100 mile per hour, and David decided to drag his feet on the ground while moving. Then when that was done went down so old back road telling ghost stories. That definitely was a trip home.

This is just a couple of memories. I could go on. Danny you were a great guy, great brother, and a great BFF. You will be missed forever. See you some day in the future. Say Hi to everyone up there.

Love forever, your sister,
Carrie.

Friends always.
