

Darcy M. Brachman-Pucci

November 6, 1953 - December 14, 2023

Darcy M. Brachman-Pucci, born November 6, 1953, finally got to take the trip she was waiting for and reunited with the love of her life, Mark Pucci, on December 14, 2023.

Darcy was born in Madison, WI to Richard Sr. and Joan Brachman. She had a wonderful childhood, thanks to her kind and loving parents. She lost her mother in 1982, her father in 1986, and her brother in 2019. Darcy met Mark the day after Christmas in 1992 and they were engaged on Valentines Day in 1993 and married October of that same year. They began their life together in Madison for a brief time before moving to the great Northwoods.

Darcy and Mark (Pooch) had a wonderful life together. They enjoyed hunting, fishing, taking rides to look at wildlife, and visiting friends. They lived this life together until Mark passed away suddenly in October of 2011. Life was not the same without him and Darcy struggled daily with the loss of her best friend.

Thankfully, Darcy met a great man named Tracy whom she was able to spend 10 wonderful months with before his unexpected passing in February of 2020. Tracy was the first man to make her smile since Pooch died.

Darcy is survived by no one, as all her family made this journey before her.

Per her request, there will be a Celebration of Life when the ice melts off the lakes this spring!

“Well, I gotta run.... Lots of people to see and fish to be caught! Goodbye for now! Darcy”

Special thanks to Jessie Mabie for making sure Darcy's wishes were followed and Margie Titel for helping.

“ *Something made me pick-up a copy of The Lakeland Times today and I saw that Darcy passed away sadly. I knew Darcy from Madison and worked with her for several years at Oscar Mayer Foods in the Insurance Dept. I retired to the Northwoods and ran into her a couple of times. She saw me on the streets of Boulder once and ran across the street and grabbed me and hugged me. It was so good to see her again. She was quite happy then. Saw her again only 2 years ago in Manitowish Waters and she didn't know me. It was sad. Hope she's happy again.*
