“*I was so proud of my recent purchase, a mint condition, 1969 15hp Sno-Jet snowmobile with cutter. This was the first snowmobile I ever rode and Dave kept them running after we broke them. When I finally saw Dave I told him all about my new purchase and was expecting him to be impressed. Dave listened intently, then I paused and Dave said, "Did it come with a warranty?" Another one of the Good Guys. RIP*

“*I remember working with Dave at two different places of employment. One was the Minocqua Marine Mart and another one at the Lakeland Sanitary District in the 1980's. You were always in good company when Dave was present. I still think of some of the times we worked together and smile. Rest in Peace, My Friend.
