“ *So very sorry to read of Dean's passing in the Cleveland Plain Dealer. We were pals and roommates in Cleveland Heights after I graduated from college. I lost my dear Maria to cancer in May of 2012 so I know DeDe's pain of loss and extend my deepest sympathy to her and their family.*

“ I first met Dean when we were freshmen at York Twp Highschool (300 students grades 1-12). We were and had good friends there. We enjoyed some learning and a lot of horseing around. A favorite piece of mischief was the Model T Ford coil. You need to be older to appreciate the possibilities. In our early 20's we shared an illegal 3rd floor apt in Cleveland Hts. We were both working and going to school full time and ended up back at the apt prox 11:30 at night when we ate and enjoyed sloe gin and beer before sleep. a precious commodity. We remained close our entire lives. We laughed, fished, shared our families and had a few drinks together. I will miss him but am probably not to far behind. God Speed Dean.

“ Dear DeDe and family,

Sending our love and prayers to you and your family. We will miss our good friend Dean.

Dean and I started a great adventure together-"First Grade at York School, 1942."

12 years flew quickly by, many happy fun filled days of learning with friends and, of course, Dean was always there with his opinion on things and also that great dry sense of humor. You could see it forming with that little twitch of his lip! Then out we went into the big world to fulfill our dreams.

Through the many years that followed, it has been great to get together at the yearly York Alumni Banquet. Such good memories! Just remember, memories live on forever in our hearts.

Know that Dean is smiling now!

Love and friendship,

Bob and Marlene Johnson
