Dennis loved God, nature and animals which was observed in his tender heart. Everyone that knows Dennis knew how much he loved music and singing. He had an amazing voice. His other talents included wood working, drawing and painting. Dennis can be best remembered for his uncanny ability to make someone smile and laugh. He loved to tell jokes and goof around. Also a

“ Dear Carol, Jeff, Dawn, Bryon, Jason & David-

*It has been many years since we've had the opportunity to visit with each other as we had in years past. The time past doesn't diminish the helplessness and sorrow we feel when one of our Brothers or Sisters is suffering - Our Brotherhood, maintains a bond that just doesn't go away. Though years may pass, in our minds and hearts and in love, it seems as yesterday.*

*Please be assured of our love and prayers in your behalf, especially now in your time of need. May the Jehovah, the God of all comfort continue to be with each of you and give you the strength and comfort to continue to endure the difficult times we live in. Soon, the end of this system will come, and death, tears and pain will be no more. Dennis and all those sleeping in death, will be called out of the memorial tombs and join us once again in joyful praise to the Most High. May we all, endure the final days of this system; obviously we can only do this in Jehovah's strength. Then we can be there in Paradise to joyfully welcome back Dennis.*

*Much love and many heartfelt prayers,*

*Greg, Tina, Lauren and Daniel Woodfork*
