“ Anita, please accept the condolences of the Troopers of the 11th Armored Cavalry's veterans of Vietnam and Cambodia. Denny was a dedicated and courageous warrior, one of us, one of our own. He served courageously with the Legendary Blackhorse Regiment, ever a leader. Your husband will be remembered as an honorable trooper whose very presence brought comfort and support to his fellow troopers. He will be included on the Honor Role of our combat veterans as his service highlighted his bravery and valor and was guided with the Vietnamese Cross of Gallantry. As grateful Americans we should all pause and salute a man who was willing to put his life on the line for his country. As our burial liturgy states: “ ... his life has not ended, merely changed ...” and as we were together then in Vietnam, we will be together again in the life hereafter, warmly embraced in the arms of our Heavenly Father. “ John Jr. and I are so very sorry for your personal loss as well as the loss to the State, County and Local motorsports communities. Denny was much more than a Barnstormers President and Trail Boss. He has been a true asset to snowmobiling in Wisconsin for many years. Both Denny and Anita were instrumental in dedicating one of our most traveled snowmobile trails to Carl Eliason, who is credited with the invention of the modern snowmobile in 1924. We are now seeing the pictures of the dedication in the media with Denny and Anita unveiling the trail dedication sign. What a wonderful tribute to our snowmobiling community and especially Denny and Anita, who were both responsible for its success. Denny will always be remembered for his personal dedication to making the Barnstormers' snowmobile trails the most scenic and well groomed trails in the world.

“ Denny and Anita became quick friends of ours. I will treasure the times that I spent with Denny talking trails or other subjects. He was a great advocate for snowmobiling and ATVing. Not only in the Barnstormers area but all of Vilas County and the state of Wisconsin. He quietly and tirelessly worked for all of us who enjoy motorized recreation. I just think about all the life's he had touched. He will be missed by many. We will miss him much. Prayers go out to Anita and his family. We will see him again and God Bless.

“ Many, many wonderful memories of Denny. Always there for whatever you needed. To talk. To listen. To laugh. To help. To council.

Tom & I are proud to call Denny & his Anita friends.

We deeply miss him. But know that we will meet again.

All our love to his whole family.

God Speed Denny. Maybe now you will have time to ride. Or maybe groom ❤️

“ I will always think of all the time Denny and I got to spend on quite a variety of things over the years. I first met Denny when I worked for Thelens Masonry and we poured the slab for his first garage. Denny, by that time, was already involved with the Sayner Barnstormers Snowmobile Club - eventually he was elected President of the Club. It didn't take long for him to get me involved with the club as well, doing various summertime trail repairs and maintenance. My involvement with the club grew rapidly and so did the time I spent with Denny. Eventually, he talked me into grooming trails in the winter as well. Over the years and up until I moved down to Tomahawk, we spent hundreds and hundreds of hours working together on the Barnstormers trail system and grooming equipment. He also worked for me when I had a small excavation business - driving my quad axle dump truck. More importantly, than all of this; Denny became a true and trusted friend. After Kristine and I moved to Tomahawk in 2014, my involvement with helping on the trails came to an end and I didn't see Denny and Anita nearly as much as I used to. But Denny was a friend that it didn't matter how long we went without seeing one another, we could get together and it would be like we just saw each other yesterday. Denny- It came with extreme shock to learn of your passing. I guess I thought you were too stubborn to die. I will always remember the great times we spent together. From Kristine and myself - our hearts go out to Anita, Tim, Dennis, Kelly, and Denny's grandchildren.

Rest Easy my Friend. You will always be missed. -George Schroeder
