“ A guy of character and a big heart. Just found out he passed, he will never be forgotten. I was a young 20 something and he rented an apt to me and always had nothing but kind words. Left an ever lasting impression on me all these years later. RIP Dennis.

“ *Monique and I send our deepest and sincerest sympathies to Judy and the whole Strand Family. Dennis put his heart and soul in everything he did, and pushed through where others would have given up along the way. Dennis will be sincerely missed in America Outdoors. His contributions to AO will a tribute to him, and recognized by all who worked with him on the Board, as well as all who enjoyed his participation in AO recreational events. He will be fondly remembered as man who made a difference in the betterment of others. Our thoughts and prayers are with Judy and her Family during this difficult time. Dave & Monique Brophy*
