“ Dona was one of the first people that we met when we moved to Lake Tomahawk. My daughter still has the baby blanket that Dona crocheted for her, 24 years ago. The last time that I saw her she was picking lilacs, the day before her death. I will remember for her kindness and desire to make things beautiful. Deepest sympathy to her family.

“ Dona was one of the most unselfish friends I ever had. She was genuine and always in good spirits. I myself had a difficult time being raised in such a small town, always trying to fit in..(not successfully)but Dona stood by her friends and really tried to make people feel important. I'm so sorry we lost touch, she left a lasting impression on me and many others. Love ya.

“ *My condolences go out to Dona's family. I've worked with her son Joe in Rhinelander and now in Milwaukee. While I did not know Dona she raised a wonderful, hardworking son I have the pleasure of working with.*
