“ *We were so sad to hear of Dona's passing. We were blessed to get to know she and Wally in the early 90's and spent many weeks at Musky Lodge over the last 23 years. Dona seemed to have that boundless energy we all wished we had! She made time spent at the lake and Outdoorsman really special. She was a beautiful person. We loved her and will miss her terribly--but we know she is with Wally and her children now and feeling a love and peace in Heaven that only Jesus can provide us. Rest in peace Dona! Much Love, Sharon and Bruce Gust*

“ Peg Sallwasser-Wolf here. I own a home in Natural Lakes and have known Dona since she began waitressing at Outdoorsman, and when I would come to vacation. My mother and father knew her.....forEVER! A loving friend. Always a hug and a kiss and a happy greeting and laughs. I, and we, will all miss her dearly. An Angel from God to all of us here on earth. Now, she is with God and His Son Jesus and her family, in joy and peace and health. Our joy and happiness is that we know where she is. She has moved HOME, to her ETERNAL HOME. When God calls each of us Home, we will see her again.....and she will give each one of us, one of her BIG hugs with her big smile. God's peace to you Dona, We love you.

“ My husband and I loved having Dona wait on us at the Outdoorsman...she was such fun! I also work at Winkler's Greenhouse, where Dona came often. We enjoyed her enthusiasm for plants of all kinds, her spunky loading of plants and soils into her truck usually with little help, and, her great smiles!! We will miss her. Deepest Sympathy to her family.

“ Dona was as great of an example of a beautiful hard working woman as there is. She had a mothering soul and would do what she could for anyone. My sister and I worked for her back in the day at the resort, cleaning cabins and every time after that she always gave a hug and inquired about our lives. She will be greatly missed in this community and RIP Dona and family.

“ Dona will be so very missed in our little town. She was so special to anyone that knew her. Her heart and soul were so beautiful. She will most definitely teach the Angels a lesson or too about love and compassion. I know she is at peace with her boys and Wally. Love you, Dona!

“ Dona was a Boulder Junction icon. She will be missed by all who knew her. My dad, an infrequent visitor to Boulder Junction, always made a point to ask about "Dona at the Outdoorsman." Rest in peace. Comfort to her sisters and families.
