“ Lynn,
I'm very sad to hear about the loss of Skip. I always considered him a friend as well as a fellow brother of the IUEC. He was very instrumental in my returning to the trade. Best move I ever made and now I'm happily retired. It's been a long time since I've seen you but have thought of you guys often. Like others have mentioned, Skip's laughter and smiles were contagious and he was just a fun guy to be around. He will be greatly missed. You and your family are in my prayers.

“ As of good friend of Skip's daughter Patty since grade school, I have many memories. All of them were of him laughing and joking around. He is the one that confirmed there was no Santa Claus!! Boy was I mad! Although I haven't seen him for a long time I always thought about him and am very sorry that he has passed. I'm sure he is visiting with Dienna and she will take good care of him. My condolences to the entire family. I wish I could be there. God Bless

“ From the first time I met Skip at the "Old Pub" he welcomed me and always made me feel right at home. He and I went ice fishing on Trude Lake and were gonna slay the fish...well guess we caught about 2 perch but had a helluva time anyway!! Gonna miss you Skip! To Lynn and the rest of the family my deepest condolences.

“ My only memory of Uncle Skip is him taking me and his girls to go see Uncle Remis in the movie theatre. I am also told that when i was a toddler staying at his house i was hit in the head with a baseball bat. Thanks. Im just sorry i didnt stay in touch.
