“ Sorry for your loss. I haven't seen the family in years, but we all lived in the same neighborhood when I was a kid. Great people, thoughts and prayers to the family.

“ I will always remember how nice Donald was to me and my sons. He went out of his way to make sure we had a great time when we visited and felt welcomed into the family. I especially enjoyed the fishing trips. Good memories with the whole family!

“ Don Porcaro, sometimes lovingly called "Pic" was a man you knew immediately as a true gentleman. Always gracious and considerate of those around him. The first to lend a hand.
If you never cared for the "3 Stooges" comedy show you would laugh with Don as he would laugh thru every episode like it was the first time with such genuine enjoyment! It was contagious! Just fun! Another joy was watching Don and Pat dance. They could "kick up the rug"! You could feel their enjoyment comfort and love for each other!
Of course no one could ever believe how much that man could eat! We all wished we could be so slim, fit and nimble as Don and EAT ALL THAT FOOD!!
Out fishing Don could always pick that prize walleye out of the weeds like nobody else! He could find the "perch hole" !
I could just go on with all the great memories that we all have and will hold dear forever. We will always miss him here on earth...
