“ *I was so sorry to hear of Donna's passing. I ran into her at Trigs a few Months ago and she seemed so good. I will miss her smile and wit. She always had a good word to share. My condolences to the family.*

“ *I am so sorry that I didn't know about this sooner. I would have attended the funeral. I worked with Donna many years ago at the hospital and then lost touch when I left the area. I reconnected with her when I moved back here 8 years ago and we kept in touch for several years and then lost touch again. Donna was one of the kindest and warmest people I've ever known. Her and I shared a love of "critters" and we compared notes on the critters in our lives quite often. I am very sad to hear of her passing. Please know that her family is in my thoughts and prayers.*
