“ Doris was a member of our Pharmacy team as she volunteered on a weekly basis for us. She was a kind, gentle person who was dedicated during her time in our department and will be missed by all. We are sorry for your loss and want your family to know that she touched many of our lives in a positive way and will never be forgotten. She was truly a gift.

“ I am very sorry to hear about Doris' passing. I first met her 21 years ago while serving her coffee at Ann Marie's Coffee Shop in Minocqua. She would come in almost every day and bring the current book she was reading. We exchanged book titles and favorite authors. We kept in touch through the years and she never failed to send me a Christmas card & gift and remembered my birthday every year as well although I don't know how she knew my birth date. She was a lovely women and I will miss her.

“ Just wanted to let you know how sorry I am to hear about Doris' death. She was always such a hard worker at the Baker's House. Nobody kept the front case cleaner than she did! All my sympathies.

“ Dear Rolf, Bruce and family,

I was so sad to read of the death of your mother in the Racine paper. If I was not so far away, I would come to her funeral. I worked with Doris at Racine Medical Clinic back in the 70's. We used to laugh and giggle and have a good time. She would keep updated on her boys, and she gave me advice about my girls. I was able to visit her a couple times when I was up north, and I had the pleasure of having dinner with her a year or so ago when she was in Racine for a dz3tg
