“ Our hearts and prayers go out to the family. Earl was a dear friend and will be missed tremendously. Earl taught me to drive truck when I was young and I still drive truck today. I loved getting together with Earl and all we would talk about was where we had driven and places we had been. We always had good times with Earl and Terri. We love you Earl and Terri.

“ I will always miss you and your hugs and will cherish our memories together. Enjoy your time of rest and send our love to all the loved ones who greeted you when you arrived including LUCY who I am sure raced up to greet you first. We will always love you and miss you until the day we are greeted by you and reunited again, once and forever. As you watch us from above, may we continue to make you proud by showing love and patience to each other and may we continue to grow our relationships both with family and friends deeper each day we are given. Love you Dad, your daughter, Theresa
