“ Ned and I became friends at St. Bede's our freshman year and continued to be best of friends throughout high school and junior college. I could go on and on about the stories and adventures we shared during that time. Later we both ended up in the Army and then were best-man at each others wedding. I'll never forget you! Rest in peace and I'll see you again on the other side. George

“ What an honor and joy it has been to be able to call you my friend. From you listening to the advice I gave you on where the fish were biting to the advice you gave me on how to improve my golf game, we always helped each other. Golf will never be the same without you. Thanks for all the memories.
