

Eileen Dasler

November 19, 1946 - April 7, 2013

Eileen "Bunny" Margaret Dasler nee Warrick of Minocqua, 66, died on April 7, 2013 at St. Joseph's Hospital in Marshfield of complications from Toxic Shock. Eileen was born on November 19, 1946, along with her twin sister Loreen, to Howard and Eileen (Mattison) Warrick. She graduated from Marshfield Senior High in 1964 and married Theodore W. Dasler on May 4, 1968. Together they have five children and six grandchildren.

Eileen learned to play piano from her mother, who was a piano teacher, as a young child. She cultivated that skill throughout her life and became known to many as an accomplished pianist, organist and accompanist. Both she and her husband have been musically involved in every community they have lived in. Eileen was a piano teacher for many years in Minong, WI and has always loved working with young students who had an interest in music.

Eileen had an adventurous spirit and never turned down an opportunity to experience something new. As a teenager, she performed in a water ski show with her siblings and competed in a snowmobile race, taking second place. She loved to travel and has been to three continents and every state in the Union except Alaska, to which she had planned a trip with her husband this summer. One of her lifelong dreams was to travel to the Galapagos Islands, which she did (twice). In Ecuador, she tubed down a caiman and piranha-infested river with her husband and sister. Eileen never put off till tomorrow

what she could do today.

There was nothing Eileen loved more than being with her family. Her idea of a perfect evening was curling up in a comfortable chair with a dog on one knee and a child on another, listening to stories as the younger kids played in the living room. She considered dogs a part of the family and prized a kiss from them as highly as a kiss from a grandchild. In her eyes, her children and grandchildren found unconditional love and support.

Eileen was preceded in death by her parents and brother, Daniel Decker. She is survived by her husband, Ted, of Minocqua, siblings Loreen (Steve) Dimmick of Dayton, OH and Richard (Audrey) Decker of Eagle River, WI, children Ted (Jill) Dasler of Marshfield, WI, Jeff (Stephanie) Dasler of Denver, CO, Roger Dasler of Stevens Point, WI, Tim (Jenny) Dasler of Vershire, VT, and Tania (Roger) Reichardt of Dodgeville, WI. She is also survived by grandchildren Sara, Sarani, Xander, Maggie, Casey and Elli, dog Lillie, and granddogs Bailey, Piper, Odie, Vixie, Baby, Buddy, and Indiana.

Eileen requested that no funeral be held for her. Instead, there will be a "Celebration of Life" service held on April 20 at 1:00 p.m. at the Lakeland Union High School auditorium in Minocqua, WI. The family requests that bright colors be worn instead of black. In lieu of flowers, please consider a donation to the Humane Society, your local food pantry, or a music education cause of your choice in her name.

“ I so fondly remember taking piano lessons with Mrs. Dasler and how much fun we had rehearsing flute solos for competitions. She and Mr. Dasler taught me so much. The tradition carries on. My son enters college in the fall pursuing a degree in music education.

“ Ted and Family,
Eileen was one of the nicest girls in MHS. It was fun singing with her and others at Richfield Park and being with her in the many plays we were in or worked on. The last time I saw Eileen casually in Minocqua was when she was trying to decide on ground cover plants. She did so much with her life.
Bless you all during this difficult time. Her love remains with you through memories.

“ *My sincerest condolences to Eileen's loved ones. I got to know Eileen when she worked in the patient services dept. She was a compassionate and caring person. I also enjoyed her fascination with Giraffes, and shared her fondness. I even gave her a small giraffe charm. She will be greatly missed.*

“ *My deepest condolences to the Dasler family. I knew Eileen as the gifted and talented organist at Ascension Lutheran Church. She played for my husband's funeral a year ago and did a fantastic job. I will never forget the prelude, "Beneductus," as the family proceeded to the front of the church. It still resonates in my ears, so beautifully it was done. She will be deeply missed by so many. I send my love and prayers. May God strengthen you during this difficult time. Evonne Harr, Hazelhurst, Wi*

“ My condolences to Ted, Tania, and all of Eileen’s family. She shared some of your stories lovingly. She made life brighter for everyone who met her at the front desk at Marshfield Clinic. A gifted musician, Eileen generously shared her talents and enriched life for her church friends and our community. I feel privileged to have known her. Her smile, her warmth, and her music are gifts we shall all hold on to.

“ We were saddened to read of Eileen's death. Although we haven't kept track of your family, we do remember the years when you lived in Minong. Perhaps you remember Ron's mother, Elaine "Grannie". Eileen's brief life story in her obituary was so energetic - the way we remember her too!

“ I would like to extend my condolences to Ted and his family. Eileen was so beautiful inside and out. I remember her well from my "coffee shop" days at Ann Marie's and always her friendliness at the Marshfield Clinic check-in. Wishing the family and friends peace and strength.

“ So thankful for your help to my son, Rick for his piano lessons. So thankful for your helping my son, Ken, be a great Superman at the concert. Your costume was so awesome; Northwood will not forget you. I found out you are a relative in a round-about way:) My great grandmother was a step mother to your ancestor. I should have told you sooner.....
