“ It's been over 5 years since you left us and not a day goes by where i dont think about you. My pain is still here, locked away deep down inside, I havent seen you, heard your voice, or talked to you in over 9 years, 4 years before you passed and until now. Take care of my baby up there with you, show her the love you never got to show the children you never got to have. I miss you Em. Always&Forever xoxoxo.

“ memories i had wit Emily was that we use to go to Fond Du lac Ojibwe school elm. Emily and i lived in Duluth at the time and road the same bus. she lived down the road from me and i 'd have my mom drop me off at her house every day after school. just to hang we had some crazy times and we'd hang out all day and i would spend the night almost every day. Then some how we lost contact with each other and years went bye that i haven't seen or talk to her. she was like my right hand in anything. so crazy that all these years i've tryed finding her some how get in contact her . i do miss her alot and im even happier that she's even closer to me she's in my heart and if i wanted to see her als i have to do is close eyes and she'd be there.
